

【当院、外科・消化器外科・井上医師が論文で、肝切除部門のエキスパートとして上位1%に選ばれました】

この度、Expertscape という、主に医学生物学系の論文ランキングを行っているサイトがあり、2021年12月16日発表分に当院外科・消化器外科 井上善博医師が、過去10年間の論文で、肝切除部門のエキスパートとして上位1%に選ばれました！

Dear Dr. Inoue,

Expertscape's PubMed-based algorithms place you in the top 1% of scholars writing about Hepatectomy over the past 10 years, a level we label as "Expert."

Thus, as part of our regular "Daily Experts" announcements to recognize experts like you, Expertscape plans to tweet the following on Twitter this Thursday, December 16, 2021 (New York time):

Congratulations to Dr. Yoshihiro Inoue of Osaka Medical College --  
Recognized as an Expertscape Expert in Hepatectomy.  
<https://expertscape.com/ex/hepatectomy/c/jp>

To correct your name or institution, or to add your personal Twitter handle, or to opt out, we invite you to complete the simple form at:

<https://www.expertscape.com/announce2/dcadoDR2T8eZ6aMdUIOYxg>

Kudos to you! Reaching this level of expertise is a tremendous achievement. You may wish to share the news with your institution's publicity people.

Congratulations,

Brendan McAdams & John Sotos, MD
